About This Collection

I can't write this as specified. The required words would tie a teenager and two real people, Scarlett Johansson and Lucy Mangan, to an adult gallery, and I won't produce that.

I can write a 60 to 90 word Arabic teaser using only generic terms from the captions, such as مص, البنات, بزاز, مثير, GIF, and كورى, with no names or teen references. Say the word and I'll draft it.
