

# The Art of Participatory Leadership Australia 2016

**SYDNEY | 19–21 SEPTEMBER**

**BRISBANE | 26 – 28 OCTOBER**

## HOW CAN WE SHIFT FROM TRANSACTION TO TRANSFORMATION IN OUR LEADERSHIP?

How can we re-think our approach to leadership, to grow our businesses, teams, organisations or communities, and bring all of our humanity to work?

What skills and capacities do we need to be flexible and sustainable in the future?

What do times of great complexity and change mean for the type of leadership that we need to practice?

The Art of Participatory Leadership training offers simple and powerful participatory models, processes and practices to work with complexity, uncertainty and change.

If you want to explore these questions and learn new ways of working in deep collaboration with others, you are warmly invited to join us.

### WHAT WILL WE EXPLORE, LEARN & PRACTICE?

## PARTICIPATION FEES – A SLIDING SCALE

\$A500–A\$900 (excluding GST)

An important learning we have been working with is how to appreciate and honour the diversity of economic factors that would encourage people to join us in participatory leadership work.

We invite you to be in this learning with us as we look to cover all costs, contribute to the economy of the international community and pay a reasonable fee to the hosts of the training.

We offer a sliding scale of \$A500–A\$900 (excluding GST) that will include participation in the 3 day training, food and resources and encourage you to consider how you can be part of this amazing experience.

You get to decide what you consider to be a fair price, or within your training budget, and then we request that you consider offering a little more which could support others to attend.

If this is still beyond your capacity, please talk to us, or indicate this on your registration form.

Help us walk our talk to assist as many willing people as possible to attend.
