

the art of hosting & harvesting for community builders

This Participatory Community Building training will blend 3 key methodologies:

Asset Based Community Development

Learn and share strengths-based community-led ways of working with asset mapping and co-design

Art of Hosting

Learn and reflect on how we apply participatory leadership & find inspiration for powerful initiatives

Art of Harvesting

Learn and practice how to capture emergence visually and co-create shared meaning through creativity

Participatory patterns and practices to build confidence in hosting group processes will include:

Asset Mapping • Four Fold Practice • Circle Practice • Graphic Harvest • Appreciative Inquiry • Chaordic Path • DEC Thinking • World Cafe • Open Space Tech • Next Stage Organising & Living Systems • Two Loops Theory of Change
