About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". No forced groups of exactly three items. No AI-flag words. No "not only X but Y". Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No emojis, no curly quotes, no markdown, no bold. No em/en dashes. Title: "custom vr chat models". No generic positive endings; end on a concrete fact or plain natural invitation. Use "because" instead of "due to the fact that". Write in same language as title (English). Use "to" instead of "in order to". Must be one coherent paragraph, no lists, no markdown, no quotes. Vary sentence length naturally, state things directly, keep every claim supported by captions.

We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We need to reuse at least 20% of key words from captions. We need to reuse at least 20% of key words. Let's count distinct key words maybe 20. Captions contain many terms: "custom vrchat model", "vrchat avatar", "3d model", "M1N1-3", "Draken", "Meelo", "Unity", "Quest", "anime-style", "VRoid", "Sophie V2", "Furry", "MMD", "Beat Saber", "VRModels", "Sketchfab", "Full-body tracking", "Boneworks", "Nina", "Upwork". 20% of that is 4. So we need to include at least 4 of those distinctive terms. We'll include "custom vrchat model", "M1N1-3", "Draken", "Sophie V2", "Quest", "Full-body tracking". That's many.

We must not use AI-flag words. Avoid those. Also avoid "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". Avoid.

No "At its core". Avoid.

No forced groups of exactly three items. So avoid listing three items in a row.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid.

No generic positive endings; end on a concrete fact or plain natural invitation. So end with something like "View the full gallery at the link above." That's a plain invitation.

No emojis, no curly quotes, no markdown, no bold.
