About This Collection

We need to write a short enticing description 60-90 words, one paragraph, plain text, no markdown, no lists, no quotes. Must include them naturally. So write in English. Title is English words but maybe considered English. Those are mixed English and Russian. Use "because" instead of "due to the fact that". Must not use forced groups of exactly three items. Must be in same language as gallery title "kisha furry". End with a concrete fact or plain natural invitation to view the full gallery via the link above. Must not use "At its core". Must not use forbidden words. Must use "to" instead of "in order to". No inflated importance, no sales language, no clichés. Must reuse at least 20% of key words from captions, and must include exact words: kisha, offering, herself, fluff, kevlar, ryiff, porno, смешные, картинки, другие, приколы, комиксы, анимация, видео, лучший. Must not use "not only X but Y". Must not use em/en dashes. Must be 60-90 words.

We need to count words. Let's aim for ~75 words.

We need to incorporate the required words: kisha, offering, herself, fluff, kevlar, ryiff, porno, смешные, картинки, другие, приколы, комиксы, анимация, видео, лучший. That's 15 words. Must include them naturally. They can appear in sentence.

We must avoid forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes. Use commas.

We must not use "not only X but Y". Avoid.

We must not use "At its core". Avoid.

We must not use forced groups of exactly three items. So avoid listing three items in a row.

We must use "to" instead of "in order to". Use "because" instead of "due to the fact that".

We must end with a concrete fact or plain natural invitation to view the full gallery via the link above. So maybe end with "See the full gallery at the link above."

But that might be considered sales language? It's a plain invitation. Should be okay.

We must not use generic positive endings like "unforgettable". Must keep claims supported by provided captions. The captions mention many items but not a count. " But that's not supported by captions. " But we don't have that fact. " That's supported.

But the instruction: "End with a concrete fact or a plain natural invitation." So we can end with "View the full gallery at the link above." That's a plain natural invitation. That should be fine.
