Voyager 7x10 Shattered - A future Naomi
Wildman Captain Jane

About This Collection

Naomi Wildman, recognizable as Naomi from Star Trek: Voyager, anchors this adult photo gallery. Alternate portraits, Voyager scenes, and a new Trek series pitch featuring adult Molly O'Brien extend the futuristic mood. References to Seven of Nine, Jeri Ryan, and Scarlett Pomers place the imagery within a redheaded sci-fi character world, while the interview offers a more personal glimpse of the performer.
