About This Collection

dev provides information about hundreds of thousands of Japanese adult videos, and among its many offerings the name Sana Minami stands out as an underground idol whose appeal runs deep. Whether you are browsing the 980 yen FC2-PPV releases or hunting titles like NCYF-041, where the promise is to stay until pregnant, the gallery keeps the underground idol spirit alive. In one explosive shot she takes on a sexual toy with the kind of hungry precision that earns her the label Uncensored -AVJB, while another scene captures her losing all sense of reason in an instant, slipping into a wild 3P that drowns in NTR pleasure. Mion Usami appears as a cute, off-the-cuff pillow girl with a big ass who gets developed in ways that blur the line between innocent and filthy, and Yuria Hakaze brings a slutty part-time energy that matches the raw tone of the set. The collection mixes muscle couples, VR, and 3D content, all tagged with the corrected, fully subtitled style fans expect, plus a few chaotic moments like the ザメンまみれちんぽ再挿入 that keep things loose.
