About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). So description should be in Japanese (likely). Title: "shinseki no ko to otomari". "shinseki no ko to otomari" romanized Japanese. Hatake no Oniku) Minamoto I Shouldn't Have Gone To The Doujinshi Conve... Write description in same language as title. comic-porno-tomari-no-bitch-nee-chan--watanabe-tou--comico-de-... Title appears Japanese? Captions contain many terms: "Kakko Tsukete Eroi Koto ni Kyoumi nai Hurishite tara Ore no Houga Sakini Su... mp4preview9. Must be plain text, no markdown, no lists, no quotes. Shinseki no Ko to o Tomari Dakara.

We need to reuse at least 20% of key words. Also "hmilf", "large breasts", "short hair", "low ponytail", "medium locks". But we need at least 20% of key words. Let's identify key words: "Shinseki no Ko to o Tomari", "Tomari", "Kara", "Misadventures", "Kara", "Hatake no Oniku", "Minamoto", "Watanabe Tou", "Bitch nee-chan", "DeliHeal", "Kaa-chan", "Gakini Modotte", "Angel Club", "Super Smash Gals", "Ultimate Orgy". Not sure count. But we can include several.

We must write 60-90 words in Japanese. Use "to" instead of "in order to". Also no em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or plain natural invitation. Use "because" instead of "due to the fact that". Must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must produce a single paragraph (coherent). 60-90 words in Japanese. Count words? But we can aim for about 70 Japanese words (maybe 70 tokens). Japanese words count differently. Let's approximate.

We need to incorporate at least 20% of key words. So include at least 3 key words. We'll include "Shinseki no Ko to o Tomari", "Kara", "Watanabe Tou", "Angel Club". Suppose there are ~15 key words; 20% = 3. That's four.

We must not use any forbidden words. Also no dash. Ensure not using "delve", etc. Use commas.

We must end with a natural invitation to view the full gallery via the link above. So end with something like "リンクから全編をご覧ください。" That's a concrete invitation.

We must not use markdown. Plain text.

We must write in Japanese. Let's craft a paragraph ~70 Japanese words.

Count words: Japanese words separated by spaces? But requirement is 60-90 words. Word count maybe counted in Japanese tokens? Could produce 70 English words but in Japanese script? But we can separate by spaces for counting.

Usually not. Hard. Safer to produce about 70 Japanese "words" separated by spaces? But they'd likely count words separated by spaces. But we can count approximate characters. That would be weird. " Title is romanized Japanese, but language is Japanese. But we can just produce a paragraph of about 70 Japanese characters? But they likely count English words. Better to produce around 70 Japanese "words" counting each morphological unit separated by space. So description in Japanese. In Japanese, each "word" maybe separated by spaces if we put spaces. But we can produce about 70 English words but in Japanese? But typical Japanese doesn't use spaces. Hmm.

But the instruction: "Write a short, enticing description (60-90 words)". Usually they count words in English. Might be ambiguous. Could be they count Japanese words separated by spaces? But that would look unnatural. But we can produce around 70 Japanese words separated by spaces to be safe. But they ask to write in same language as title (Japanese). But it's okay.

But we must not use markdown. Plain text. No bold. No quotes.
