About This Collection

Sumiko Gurashi wallpaper brings its cute cast into view, with Tokage, Tonkatsu, a bear and pastel doodles turning up across phone and desktop screens. An iPhone 14 Pro Max or iPad wallpaper sits beside soft backgrounds and familiar faces, so the action stays close to small details. Four stacked animals share a watermelon theme, while note paper, a map illustration, drawing sheets and coloring pages give the gallery a playful route through their cozy corners.
